Joseph.V.Colliver (Group Chairman)

This group is working to resolve any issues or concerns raised by the people of Hayle and District concerning the plans now before Penwith District Council submitted by ING Developments concerning the future of Hayle Harbour and the surrounding area.

Although there are many problems concerning traffic it is the intention of this group to work constructively with officers of the Council, councillors, the Plan Manager and others to mitigate these problems and carry forward the wishes of the people of Hayle and the surrounding area.
