Hayle Watersports Association

Hayle Football Club

A new building is going up to replace the one that burnt down.

Extra notes:

*** Archers of the West**

In Summer, we shoot outdoors on a field that needs to be reasonably flat and around 150 yards long. We shoot up to 100 yards and need an overshoot area and a preparation area. We also can not use a field where people might suddenly wander across, say walking their dog. At the moment, we use one of the fields at Hayle Football Club, but we have been warned that they may be selling it for re-development. Our clubhouse is an old container inside which we keep our targets and other equipment. **In Winter**, we shoot indoors in a hall that needs to be 25 yards or more long. We shoot 20 yards and need a small space behind for a net to catch any errant arrows and a preparation area in front. We currently use both Leedstown Village Hall and Ludgvan Community Centre. We store our targets and other equipment on both sites. **As you will see**, we have 3 centres of operation and there is a fair amount of equipment moving that goes on each year.

<u>Comments from July meeting:</u>				
Hayle Canoe Club	Yes	Yes	Yes	Main problem is changing facilities. The club has put sheets of ply between their two storage containers on the quay to create makeshift changing rooms, but they leak quite badly. They've no running water, toilets or shower facilities. To pay for the services to be linked to install toilets would cost c.£7k.

Future Needs

Club Name	Ideally prefer:	Larger multi-sports centre for all to share	Sole use dedicated premises	Small shared premises (sufficient for combined needs)	Other
Archers of the West		Yes	Yes		Sole use dedicated premises preferred, but this is not critical. Our ideal situation would be one centre that had both indoor and outdoor facilities with storage space. We could easily co-exist with other clubs.
Countrymen Volleyball Club		Yes			We are the biggest volleyball club in Cornwall, are accredited and won divisions one and two last year, But we can't run competitions here as we don't have a proper sized court.
Gwithian Academy of Surfing	Sole use dedicated premises		Yes		
Hayle and District Bowling Club			Yes		
Hayle Cricket Club	Larger multi-sports centre for all to share	Yes			
Hayle Netball Club		Yes	Yes		
Hayle Rowing and Pilot Gig Club			Yes		We would consider relocating as long as it was affordable Any!
Hayle Rugby Football Club					
Hayle Runners		Yes		Yes	We have attended the Hayle Multisports Centre group which we hoped could assist us, but this appears to have gone into abeyance. We have approximately 25-30 Juniors attend weekly between 5.30 and 6.30 on a Tuesday during term time at the Community School
Hayle Surf Lifesaving Club					
Hayle Swimming Pool			Yes		
Hayle Table Tennis 4 Fun				Yes
