

Walkers are Welcome

What to do

The ***Walkers are Welcome*** idea

There are four easy steps to becoming a Walkers are Welcome town or village.

1. Establish a steering group to oversee the project. This can be an existing community group (for example, a walkers' group or local business association), or an ad-hoc group brought together specifically for the purpose.
2. Inform us of your plans and apply for associate membership of the Network, by returning the enclosed on-line form. Membership costs £20 a year.
3. Work in your community to meet the six criteria.
4. When you feel you have met the criteria, let us know again. The Walkers are Welcome Towns Network committee will assess your application, and all being well will be delighted to award you Walkers are Welcome status and you will be able to use the official logo on your local marketing material.
